

Offender Rehabilitation Award 2019

Reactiv8 is pleased to announce that we were nominated and won The Offender Rehabilitation Award 2019 for the Police Crime and Commissioner Awards "Women who make Bedfordshire Safer".

We are proud to have received this recognition for the work our team does in supporting the rehabilitation of ex-offenders, which has been called life-changing.

This year the award ceremony was held on Wednesday 3 July 2019 at Wrest Park Orangery in Silsoe, Bedfordshire.
