

High Sheriff Citizenship Award 2020

Michelle Crook and the Reactiv8 Team are delighted to announce that they have both received a Highly Commended Certificate as a result of being nominated for the High Sheriff of Bedfordshire's Citizenship Awards.

Meryl Dolling, the High Sheriff for 2019/2020 represented the Queen in Bedfordshire with regard to law and order. Part of Meryl's commitment during her Shrieval year was to emphasise the role that education can play in beating crime and it was her wish to meet as many charities and organisations as possible to highlight their contribution and impact on the community.

We were due to attend the High Sheriff's Awards Evening where awards are made to adults, groups and young people from across the county. At this event organisations and individuals are recognised for their extraordinary contributions and dedication within the voluntary sector throughout Bedfordshire. Unfortunately, due to the impact of Covid 19, we were unable to attend but we are nonetheless thrilled to receive the awards.
