Luton Youth Fund / BCLF

Reactiv8 is very grateful for the funding that allows us to deliver our Reach For The Stars programme to those in secondary schools across Luton, who are at risk of exclusion and lawlessness.

We have kicked off the project working with students out of mainstream school who attend the Avenue Centre for Education (ACE)

TCHC co-financed with SFA and ESF

A project working across Northamptonshire with those aged 15-24 at risk of and/or NEET (not in employment, education or training). We kicked off the project working with a group of students aged 15 - 16 years old at Wrenn School, Wellingborough. We helped to raise aspiration and give support, aiming to prevent them from becoming NEET.

A passion for changing lives

We have recently been featured in a Bedfordshire press article which highlighted our passion for changing lives. The article relayed how we understand that feeling lost and without hope is a dark and lonely place and that our aim is to help people of all ages to address their problems and become valued members of society.

It also explained how, using British Military Coaching techniques, we help develop skills that employers are looking for, such as team working and leadership, whilst helping them sort out their emotional and physical

selfes, changing their outlook on life and making things better for them.

Many of our former clients keep in touch and tell us that Reactiv8 has got them out of the dark places in their lives. The article also mentioned that we are now supported by local authorities, schools and probation services.

Thought for the month - "We are not given a good life or a bad life. We are given life. It's up to you to make it good or bad."

Oak Bank

We are working across Bedfordshire and Northamptonshire schools, helping to MICE young people (Motivate, Inspire, Challenge and Engage). The photos show our last day out with Oak Bank students who we have been working with for the past academic year. Well done to Matty on winning at Daytona. All students, Jordan, Matty and Shyon have passed their preliminary Amateur Boxing Award, and we look forward to continuing to work with them next year.
